

# MA in Missional Leadership and Social Entrepreneurship

A three-year part-time programme that equips Christian leaders for missional leadership, and entrepreneurial or pioneering ministry and practice.

It can be completed fully online, or mainly online, with some face-to-face classes in collaboration with Missional Links Wales.

Validated by:

## PROGRAMME STRUCTURE

The first two years comprise the following five modules plus a sixth selected from options.

- **Missional Leadership: Formation and Skills**
- **Faith-Based Social Entrepreneurship in Contemporary Contexts**
- **Perspectives in Contemporary Mission**
- **Research Methodologies and Contextual Theology**
- **Faith-Based Social Entrepreneurship: Models, Approaches and Roles**

The dissertation module is completed in the third year, on a subject of the student's choice related to Missional Leadership and Social Entrepreneurship.

The programme is validated by Newman University and delivered by ForMission College, in collaboration with Missional Links Wales. To find out more including entry requirements, cost and admissions, visit [formission.org.uk/ma-overview](http://formission.org.uk/ma-overview) or view a short video introduction to the College at [formission.org.uk/open-days](http://formission.org.uk/open-days).

"This ground breaking MA offers cutting edge training to those who are willing to create, innovate and take a risk to be on mission with God, in a fast changing world. Missional Links Wales is excited to collaborate with For Mission College and Fresh Expressions in mobilising a generation of mission entrepreneurs."

**Rob Burns, International Director, Missional Links Wales**
